

## Environmental Impact Committee (EIC)

Plant trees with the Environmental Impact Committee and the Palo Alto University Rotary Club! Help sustain the environment. Here are 4 organizations that the EIC supports. Give a gift as a way of honoring or memorializing someone, or celebrating a birthday, or as a way of enriching our environment. Here are the tree organizations we recommend. To plant our PAUR Club-wide digital forest, let the EIC know when you plant a tree or send a gift. See our digital forest grow on the EIC webpage. Contact Don MacKenzie at [dongomack5170@aol.com](mailto:dongomack5170@aol.com).

### 1. Canopy

We have had a working relationship with them for years. They are local and will be willing to discuss type of tree and location.

### 2. The Sempervirens Fund

The Sempervirens Fund is California's oldest land trust and the only organization dedicated exclusively to protecting the redwood forests of the Santa Cruz Mountains.

<https://sempervirens.org/>

[Donate Now | Sempervirens Fund](#)

### 3. Redwood Forest Foundation

They will plant a redwood in someone's honor.

\$50 for one tree, but exponentially more for more \$\$, so if you give a \$1000 donation, they will plant 200 trees. They plant locally in Mendocino.

### 4. One Tree Planted

One tree planted per dollar donated, shows here how they do it. They do have a California specific branch. Number of trees = number of dollars spent.
